

As a citizen of Bothell, I find it truly remarkable what OneBothell has been able to accomplish by partnering with Forterra to save Wayne Golf Course from development. This grassroots organization was able to rally support region-wide amongst citizens, conservation groups, and government officials at the municipal as well as state level. All of this happened in less than a year!

The City of Bothell in collaboration with OneBothell, King County, and Forterra is now pursuing grants to go toward the purchase of this land for all ages to enjoy hiking and biking trails, salmon habitat restoration and the soul feeding that only nature can provide. One of the reasons I moved to Bothell was for its livability with its walkable downtown and riverfront. The preservation of Wayne Golf Course will be a gift for generations and ensure that Bothell's special quality of life continues.

Thank you, OneBothell, for your vision and dedication.

Davina Duerr  
Deputy Mayor, City of Bothell
